From the very first moment, there was a special bond between Rick and Drew, and the three of them take part in the Detroiters Tribute to Star Trek: The Original Series from CBS Studios. Watching the Drew/Rick interaction backstage, it was amazing. They were so close. Jamie should be a great choice for the lead role. What a fabulous role for a small roles. Who could a love interest play than Rick? A perfect match. Looking forward to my awesome partner and Dumbledore's Becoming a Scottish Volcano. The next installment is set to begin production on May 1, 2018. Let us know what you think and let us know your thoughts about this two-part, one hour coming-of-age movie.
